ADDENDUM #1

Collection and Disposal of Curbside Solid Waste and Recyclables RFP No. HR-2018-01

The following minor changes were made to the original RFP document:

- 1) The Zip Code was corrected in a few places. The correct Zip Code is 28445.
- 2) Board of Aldermen should read Town Council (that is what the elected board is called)
- 3) Under Part III. Scope of Work g):
Should read: Public Works will contact the contractor **if** additional extra cards are needed. Vendor's carts are required to be pre-numbered for tracking purposes.
- 4) Operational Plan
Should read: The Bidder shall attach an operational plan to include what days of the week they plan to provide solid waste and recycling services to the Town, what kind of trucks will be used (year included), and a sample brochure of the type of carts **that** will be used

During the Pre-Bid Conference, Holly Ridge staff confirmed that the current solid waste pick up is performed weekly on Mondays and bi-weekly on Fridays. Staff indicated that citizens are accustomed to this schedule and that it is working for the Town.

During the Pre-Bid Conference, a contractor requested that the Town include a list of the conference attendees with this addendum. The following is a list of companies and the number of representatives from each company:

Axon Disposal (1)
Pink Trash (2)
Waste Industries (3)
Waste Management (1)
