ADDENDUM #2 Issued 3/14/2018

Collection and Disposal of Curbside Solid Waste and Recyclables RFP No. HR-2018-01

The following information has been requested by potential vendors:

1) Q: Can you clarify how many copies of the bid response should be submitted to the Town?

A: The RFP does not specify number of copies. One signed original is sufficient.

2) Q: Can you provide the current rates for solid waste and recycling collection services?

A: Per our current Fee Schedule (here: <http://townofhollyridge.net/wp-content/uploads/Adopted-Budget-FY2017-18.pdf>) the rates are:

Garbage per cart, per month \$15.19

Recycling per cart, per month \$4.13

3) Q: Are customers limited to having only what is left in the cart picked up?

A: The Town advises customers that the current vendor will not pick up what is left next to the cart and that if they regularly have more than what can fit in the cart they need to order an extra cart.

4) Q: How is cart washing and replacement handled?

A: As stated in the RFP, the Town's Public Works Department keeps approximately 20 carts on-hand to replace broken carts. With the current vendor, Public Works will mark the broken carts with an "X" and they are left for the vendor to pick up. Customers are told that they are responsible for keeping their cart clean.
